

HGA Staffing

Delivering top-notch talent

Staffing

Delivering on commitments. Building long-term relationships.

HGA Staffing has expertise in identifying, screening, and placing technical and industrial personnel that will assist in the success of your operation. HGA Staffing provides valuable industry expertise for hard to fill vacancies.

HGA Staffing provides full-time, part-time, temporary or permanent contract personnel, for short term or long term assignments, with a broad range of expertise to a diverse customer base. Our contract to permanent placement services offers you a commitment free trial, saving you time and money. HGA can also identify and place employees on a direct-hire basis. Our broad network and in-house database of engineering, industrial trade jobs, project management, and other service groups are utilized to pre-screen each candidate and provide you with A-list candidates. Our recruiters will save you the time of wading through resumes of unqualified applicants. In addition, our staffing specialists handle the most time-consuming aspects of the hiring process, including the initial interview, skills testing and reference checks.

Engineering disciplines we specialize in:
